CORPORATE SPONSORSHIP OPPORTUNITY

A Corporate Partnership Built on Honor, Respect & Gratitude

Every day, men and women in our communities and across our nation answer a call to serve.

• Firefighters • Police Officers • EMS • Rescue Personnel • Military Soldiers

They run toward danger when others run away.
They answer the call when others need help.
And some give everything they have — *including their lives.*
Their service should never be forgotten.

YOUR COMPANY CAN HELP US HONOR THEM

By becoming a Corporate Sponsor of ***Honoring Our Brave***, your company helps Radio Chris 25 recognize the men and women who serve our communities and our nation — and honor the families who carry their legacy.

YOUR CORPORATE SPONSORSHIP INCLUDES:

4 Honor Messages Per Day
PLUS
Your 30-Second Company Message

Four times each day, Radio Chris 25 will air this message of recognition:

“Our First Responders and Military Personnel deserve our thanks, praise and prayers daily. At (YOUR COMPANY NAME) we support these brave men and women.”

This will be followed by a 30-second message from your company. Your 30-second message may tell listeners about your business, products, services, community involvement, or your company's commitment to supporting those who serve.
